Dear Exhibitors:

We would like to invite you to participate as an exhibitor at our upcoming Northwest Society of Colon & Rectal Surgeons meeting at the Monterey Tides in Monterey, CA on July 21-24, 2021. We have expanded the program to include abstracts collected from the membership, and didactic lectures from invited speakers in a wide range of colorectal topics.

The meeting will start with a reception on Wednesday evening, followed by three half-day sessions on Thursday, Friday, and Saturday. Exhibitors will have plenty of opportunity to visit with the surgeons during this time. We typically provide a vendor passport for our members. We find that this generates a steady flow of traffic to your table and allow you to meet the surgeons to discuss your products and services.

All exhibitors will be invited to attend the meeting and associated activities at no additional expense. Companies and their representatives will be recognized during the program as well as acknowledged on the printed agenda and symposium literature. In addition, we will provide a designated area adjacent to the scientific sessions for displaying information about products and services.
